Zone Comparison Report — South-East

Campaign completion across the assigned dealership network.

ZONE COMPARISON / South-East / 25 October 2026

SOUTH-EAST PROGRESS	OTHER ZONES COMBINED	DIFFERENCE	ASSIGNED DATA
66.4%	**52.2%**	**+14.2 pts**	**3,598**
574 completed of 864	1,427 completed of 2,734	South-East minus other zones	of 3,698 total records

South-East is +14.2 percentage points versus the combined result of the other assigned zones.

Comparison covers 4 assigned zones and 3,598 campaign records. The zone labels and dealership assignments come from the zone-management workbook.

Campaign records are counted as rows; the same vehicle can appear in more than one campaign.

This is a descriptive comparison, not an adjusted performance ranking. Campaign mix, workload, and reporting completeness can differ between zones. Not assigned: 100 records across 10 dealerships (Xpeng Motors France Aftersale virtual Store (57), XPENG Netherlands Service Virtual (24), XPENG Service Center Martinique GBH (5), No dealership recorded (4), XPENG Service Center Netherlands Utrecht (3), XPeng Service Center Martinique (2), XPENG Service Center Netherlands Rotterdam (2), XPENG Service Center Albertslund (1), and 2 other dealerships).
