Campaign records are counted as rows; the same vehicle can appear in more than one campaign.

This is a descriptive comparison, not an adjusted performance ranking. Campaign mix, workload, and reporting completeness can differ between zones. Not assigned: 100 records across 10 dealerships (Xpeng Motors France Aftersale virtual Store (57), XPENG Netherlands Service Virtual (24), XPENG Service Center Martinique GBH (5), No dealership recorded (4), XPENG Service Center Netherlands Utrecht (3), XPeng Service Center Martinique (2), XPENG Service Center Netherlands Rotterdam (2), XPENG Service Center Albertslund (1), and 2 other dealerships).

“Other zones combined” means Zone 1, Zone 2, Zone 3; the 100 unassigned records are excluded from that comparison.

VIN check: 1,015 VINs appear in multiple campaigns. There are 1 same-VIN/same-campaign duplicate key(s), adding 1 extra row(s); repeated VINs across different campaigns are not automatically errors. Status conflicts on duplicate campaign rows: 0.
